

HOLIDAY NEWSLETTER

Season's Greetings! We wish everyone a very happy holiday season. This is a very busy time of year, so we hope you will make every effort to attend your dance classes. Each class will be starting routines for the recitals soon, therefore attendance is very important.

Our last day of class before the holidays will be Wed. Dec 21st. The studio will be closed Thurs. Dec 22nd through Sunday, January 1st. Classes will resume on Monday, January 2nd. The week of December 15th through the 21st will be "Open House" week at the studio. Parents are invited to attend and view their children's dance classes.

*The **recital dates** for this coming year are scheduled for the week of June 18th to the 23rd 2012, at Butler Intermediate School. Please mark this week on your calendars, and we will give you more specific information as to which days are your rehearsal and recital dates after the holidays.*

JANUARY IS COSTUME TIME. Costume information and prices will be available on our website at www.lauralynnschoolofdance.com . **When the costume info is finalized in January, we will send an email to everyone with instructions on how to access it. You will be able to view your costumes and get your total cost right of the website. All costumes must be paid for in full no later than Fri. Jan. 27th. Please note that we can only accept cash or checks for costumes. No credit or debit cards, sorry. Please be sure that we have an active email address for you, so you receive our emails and get the important info that will be sent to you.** Here is a word of explanation on how we handle costumes for the recitals. Every effort is made to use one costume for more than one dance routine, using different accessories to change the look and keep the cost down. This doesn't always work for every class, but we try very hard to keep the costume prices reasonable and still have the dancers look great! Costume prices range from \$40 -up depending on the material and the amount of sequin on it.

*The snow season will soon be upon us. If we need to cancel classes due to the weather, we will put a message on our answering machine at **724-443-1897**. We will also post closings on WPXI Channel 11, as well as on our website. Please call or check the website before coming to class if the weather is questionable.*

Again, we hope everyone has a great upcoming Holiday Season!
